Choose your Challenge

You can play in two different ways:

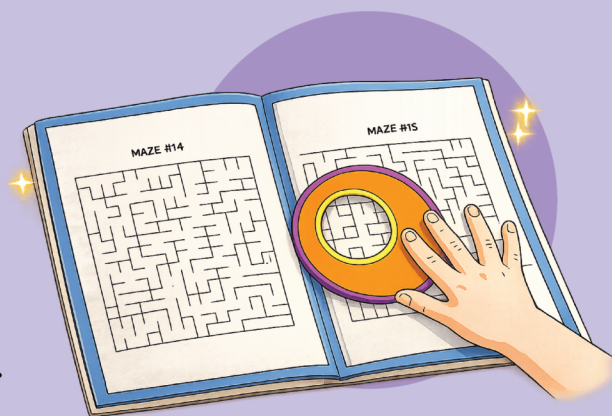

Normal Mode

Draw the full path from start to finish and solve the maze at your own pace.

Surprise Mode

Find the Surprise mask after solutions and cut it out.

Peek at the maze as you draw. Choose a path—if it's wrong, back up a few steps and try again!

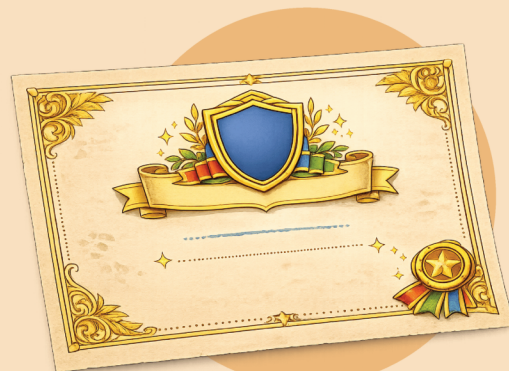

Your Explorer Rewards

At the end of the book, you'll unlock a **Certificate of Achievement** — a fun way to celebrate your effort, patience, and every maze you conquer.

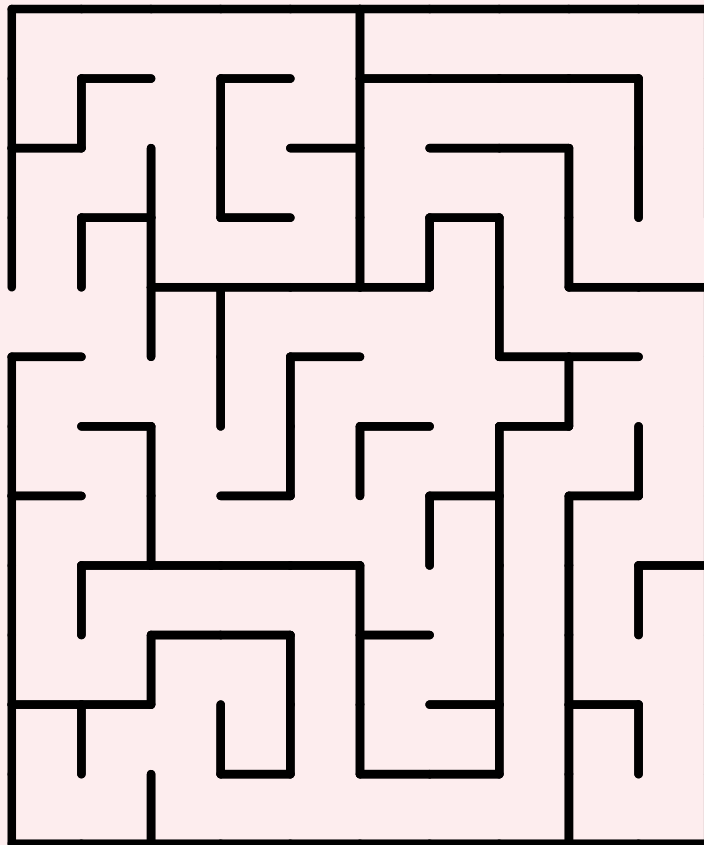

Finish 8 mazes, **earn a badge!** Grab it from the solutions pages and stick it on the back of your certificate.

Keep going — every maze you complete makes you an **even better** explorer!
